

**EXPECT APPEARANCE VARIATIONS
IN NATURAL WOOD PRODUCTS!**

Carefully inspect ALL material prior to installation for defects. Materials installed with visible defects are not covered under warranty. Wood is a natural product that can vary in color, grain, and contains natural characteristics that varies from plank to plank and is to be expected. We do not warrant against these natural variations from plank to plank or variations from sample to plank. Remember - If you are not satisfied with the flooring prior to installation, contact HCI IMMEDIATELY - DO NOT INSTALL the flooring!

Accepting or rejecting the material must be done on full shipment of quantities only, not carton by carton or plank by plank. You should "rack out the floor" using planks of varying length from at least 3 different cartons and get homeowner approval before proceeding with installation.
